

Progress Report as at 11 Oct 2018

Since the Friends of IOTA (FOI) initiative was launched two years ago, we are pleased to report that 308 IOTA enthusiasts from 44 DXCCs in 6 continents responded generously to our appeal by donating £24,703, putting us at 99% of the first goal of GBP 25,000 we wished to achieve. About 50% of the funds were received from 148 EU hams, 36% from 84 NA hams and 10% from 58 AS hams. A total of 140 donors are on the IOTA Honour Roll and contributed 68% of the total funds received to date, while 92 donors had no IOTA record at the time of their FOI membership and contributed 22% of the total. The complete list of donors will continue to be updated periodically:

We wish to thank all donors for their enthusiastic support of the planned IT activities. Since *paperless QSLing* will unquestionably benefit hugely both present and new IOTA members, **we want to encourage everyone in the community to support this effort by joining the Friends of IOTA!**
