

Progress Report as at 20 July 2017

A year after the launch of Friends of IOTA, we are pleased to report that 282 IOTA enthusiasts from 44 DXCCs responded generously to our appeal by donating £23,025, putting us at 92% of the first goal of GBP 25,000 we wished to achieve. About 52% of the funds were received from 137 EU hams, 36% from 78 NA hams and 11% from 51 AS hams. A total of 131 donors are on the IOTA Honour Roll and contributed 70% of the total funds received to date, while 83 donors had no IOTA record and contributed 20% of the total. The complete list of donors will continue to be updated periodically:
